# United Nations Global Compact Communication on Progress

Our 2024 submission serves as our 14th Communication on Progress to the United Nations Global Compact (UNGC) and demonstrates our progress in implementing the Ten Principles and supporting the Sustainable Development Goals. We submitted our Communication on Progress 2024 utilizing the UNGC’s reporting questionnaire format.

The UNGC has posted our response, including details about the impact we made across the following areas: Governance, Human Rights, Labour, Environment, Anti-corruption, on the [UNGC website](#). The report explores our goals,

progress and performance across our global operations during fiscal 2023 (ended August 31, 2023), unless otherwise noted.

Accenture has been a signatory to the Ten Principles of the UNGC since 2008. Accountability and transparency are priorities for Accenture and are part of the foundation on which we build trust with our clients, people, shareholders, partners and communities. In addition, Accenture is involved in various United Nations initiatives and participates in UNGC local networks in several countries.
